Tourist Entry Conditions

Australian ordinary passport holders travelling as tourists can usually obtain a visa waiver free of charge upon entry to Qatar. This visa waiver is valid for 30 days and may be extended for a further 30 days. It is highly recommended that passports be valid for at least 6 months beyond the period of intended stay. Travellers should be able to produce documentation confirming their ability to financially maintain themselves during their stay as well as tickets and entry documents for their onward destination.

Additional conditions may apply to minors. Travellers are recommended to contact a Qatari representative on the details below for further information and to ensure their specific circumstances make them eligible receive a visa waiver on arrival in Qatar, especially if not entering via Hamad International Airport.

Vaccinations and Health Precautions

The following information is intended as a guide only and in no way should it be used as a substitute for professional medical advice relative to a travellers individual needs and vaccination history. No guarantee is made as to its accuracy or thoroughness. For further information, please contact The Travel Doctor on 1300 658 844.

Vaccination against hepatitis A is recommended for travellers to Qatar. Frequent or long stay travellers should consider vaccination against hepatitis B. Vaccination against typhoid (particularly when travelling to areas with poor sanitation and hygiene) should be considered by travellers to Qatar. There is a medium risk of malaria in Qatar, thus insect avoidance measures and anti malarial medication may be necessary depending on your itinerary.

Regardless of destination, all travellers should be up-to-date with their routine "background" vaccinations including a recent annual influenza vaccination. Please consult a medical practitioner or contact The Travel Doctor for your specific risk to these preventable diseases and the appropriate avoidance measures.

Australians travelling to Qatar should ensure they have adequate travel insurance to cover the length of their stay. Medications that are legal in Australia may be illegal in other countries. For further information on insurance, taking medication overseas and other issues please visit www.smartraveller.gov.au/tips.

Current DFAT Travel Advice

This advice is current for Thu, 1st November 2018.

Exercise normal safety precautions in Qatar. Use common sense and look out for suspicious behaviour. Saudi Arabia, United Arab Emirates, Bahrain and Egypt have suspended diplomatic ties with Qatar. Your transport arrangements could be affected by disruptions to transport links. Contact your airline or travel provider to confirm arrangements. See Local travel. International terrorists have called for attacks against Western interests in the Gulf region. See Safety and security.

Medication available over the counter or by prescription in Australia may be illegal in Qatar. Check your medicines with the Embassy of the State of Qatar and explore alternatives with your doctor before you travel. See Health. There are strict laws on personal conduct, particularly regarding intimacy and personal relationships and the consumption and possession of alcohol. See Laws. Failing to pay debts or bills can land you in jail. Having cheques dishonoured and failing to pay fines or hotel bills all constitute 'fraud'. See Laws. If you become involved in litigation, you could be prevented from departing Qatar. See Laws.

The above information is an edited excerpt of the Travel Advice Summary from The Department of Foreign Affairs and Trade. Travellers are encouraged to read the travel advice in full, subscribe to updates to this advice and to register their presence in Qatar at www.smartraveller.gov.au.

Exchange Rate with Qatar

Interbank Rate
1 Australian Dollar (AUD) = 2.59 Qatari Riyal
1 Qatari Riyal (QAR) = 0.3866 Australian Dollars

With 4% Margin
1 Australian Dollar (AUD) buys 2.49 Qatari Riyal
1 Qatari Riyal (QAR) will cost 0.4021 Australian Dollars

All rates were correct at a point in time on Monday, 05 Nov 2018. The “Interbank Rate” does not take into account any exchange fees, while the “With 4% Margin” adds 4% to the exchange rate to simulate a typical margin that would be paid when exchanging currencies. These currency rates have been rounded and should not be used when calculating transactions of large value.

Currency Cheat Sheet

This cheat sheet uses the “With 4% Margin” rate of exchange listed above.
